RE: Mercer County Republican Party Appointment for Coroner

Dr. Timothy Heinrichs resigned his position as the Coroner of Mercer County on October 10, 2025. The Mercer County Republican Party would like to recognize Dr. Timothy Heinrichs for his thirty-six years of dedicated service as Mercer County Coroner, as well as Dr. James Reichert for his sixteen years of service as Deputy Coroner. The Mercer County Commissioners made a temporary appointment to fill the unexpired term until the Mercer County Central Committee could make the appointment to fill the remaining term of Mercer County Coroner.

The Enhancement Committee of our party received letters of interest for the coroner position from Dr. James Reichert and Dr. Alysa Tobe. As outlined in our bylaws, the role of the Enhancement Committee is to vet candidates for open positions within the county, including the coroner's position in this case. The committee's goal is to determine whether the interested candidates were qualified and should be brought to the entire Central Committee membership for the appointment vote. Both Dr. Reichert and Dr. Tobe met the committee's criteria and were considered excellent candidates. However, late last week, Dr. Reichert announced that, "due to the increasing demands of my busy surgical practice, and the need to focus on family commitments, I am no longer able to commit the time and energy necessary to fulfill the important duties of the coroner position."

On Monday, November 17, 2025, at its regular November meeting held at the Richardson Bretz Building in Celina, OH, the Mercer County Ohio Central Committee voted overwhelmingly to appoint Dr. Alysa A. Tobe to fill the unexpired term of coroner, following the resignation of Dr. Heinrichs that was effective October 10, 2025.

Dr. Tobe brings an impressive background in healthcare, and we are confident she will serve the residents of Mercer County with professionalism and compassion. Her commitment to working with grieving families, healthcare providers, EMS, law enforcement, and the Prosecutor's Office demonstrates her readiness to provide essential coroner services. Dr. Tobe has outlined a thoughtful plan for the effective operations of the Coroner's Office and she has also committed to running for election to the position in the next term, ensuring continuity and excellence in service.

Respectfully,

Robert J. Hibner
